

REGULATIONS FOR USING SPORTS FACILITIES AND EQUIPMENT

Everyone who uses the sports facilities and equipment, whether adults or children, must comply with the regulations.

Access to the facilities will be prohibited to those who do not comply with the regulations.

Please use appropriate sportswear. It is strictly forbidden to play on the fields or courts and/or cycle bare-chested.

Please refrain from vociferating, shouting and offensive behaviour.

Entrance onto the fields or courts is allowed only if you have suitable shoes for playing.

The sports facilities and equipment must be used respectfully and civilly and left clean without leaving any objects or bottles.

Before using the sports facilities and equipment, please go to the reception to sign the specific liability waiver form regarding their use.

Any damages to equipment or other anomalies found in the facilities must be immediately reported to the reception.

With regard to using the hotel's bicycles you must:

- Use a helmet
- Do not transport other people on the same bike
- Keep a steady speed and pay attention to pedestrians
- Do not leave the bicycle unattended
- Do not go beyond the boundaries of the resort

In the event of any damage or vandalism to the facilities or equipment, the user responsible for the damage will account for it.

In the event of non-recognition of the person responsible for the damage, the person who signed the above-mentioned liability waiver will account for it.

The Popilia Country Resort is not liable for any part or total loss, subtraction, destruction or deterioration of movable things left unattended in the field or court, changing rooms and in the rooms relevant to them and, therefore, declines any liability regarding the safekeeping of the above-mentioned movable things.

The company guarantees civil liability insurance coverage limited to accidents caused by structural defects.

Users must provide games and sports insurance where appropriate.
